

Brief Bio and Introduction ~ Leslie Canham

Leslie Canham is a Certified Dental Assistant, a Registered Dental Assistant, and Certified In Dental Infection Prevention and Control. She specializes in OSHA Compliance, including Workplace Violence Prevention, Infection Control, HIPAA, Dental Board Regulations and Accommodating Deaf and Hard of Hearing Patients.

As a Certified Speaking Professional, she lectures nationally and internationally. Her consultancy firm, Leslie Canham & Associates, LLC has served dentistry for over 25 years providing in-office training, regulatory compliance audits, mock-inspections, Webinars, and home study courses. As an authorized OSHA trainer, she helps dental teams simplify complex regulations.

Leslie is also a founding member of **The Compliance Divas**, where she and her fellow Divas Podcast weekly helping dental professionals navigate regulatory compliance.
